1. About these Terms

1.1 These Terms of Service ("**Terms**") are a binding agreement between you and **Pupzy**, a Sole Proprietorship based in the Arab Republic of Egypt, with its address at Cairo, Egypt ("**Pupzy**", "**we**", "**us**"). They govern your use of the Pupzy mobile applications, website and related services (together, the "**Service**").

1.2 By creating an account, or by tapping "Accept" when the Service asks you to, you confirm that you have read, understood and agree to these Terms and to our Privacy Policy at https://pupzy.net/privacy/. If you do not agree, do not use the Service.

1.3 We may update these Terms (see section 18). Each version has a version date. When we publish a new version, the Service will ask you to accept it before you can create new posts, comments, replies, contact requests or adoption applications. Accepting an earlier version is not acceptance of a later one.

1.4 These Terms are available in Arabic and English. If the two versions differ, the Arabic version prevails.

2. Who can use Pupzy

2.1 You must be at least **18 years old** and legally able to enter into a binding contract to create an account or use the Service.

2.2 You must give accurate information, keep it up to date, and keep one personal account only. You may not create an account on someone else's behalf, impersonate any person or organisation, or create a new account after we have suspended or banned you.

2.3 You are responsible for everything done through your account and for keeping your sign-in details secure. Tell us promptly at pupzy.eg@gmail.com if you believe your account has been used without your permission.

3. What Pupzy is — and what it is not

3.1 Pupzy is a community platform that lets people publish and respond to posts about animals in Egypt:

- **Rescue** posts about an animal in need of help;

- **Lost & Found** posts about a lost pet or a found stray;
- **Adoption** posts offering an animal for rehoming;
- **Marketplace** listings of pet products and supplies;
- **Find a Mate** posts about responsible pet breeding;

together with comments, replies, "Support" (on Rescue and Lost & Found posts) and "Like" (on Adoption and Find a Mate posts), saves, contact requests, adoption applications, notifications, reports and blocks.

3.2 **Pupzy is an intermediary platform only.** We do not own, sell, buy, rescue, treat, transport, foster, breed or rehome any animal, and we do not sell, inspect, store or deliver any product. Any rescue, adoption, sale, meeting, breeding arrangement or other dealing between users is **solely between those users**. We are not a party to it, an agent of either side, or a guarantor of it.

3.3 **We do not verify users or content.** We do not check the identity, background, qualifications or intentions of users, or the accuracy, legality, safety or quality of any post, animal, product, photo, location, pedigree, health record or other information published by users. Comments and photos shared as evidence of what happened to an animal ("community evidence") are users' own statements. They are not verified by Pupzy and do not by themselves resolve a post.

3.4 **Pupzy is not an emergency or veterinary service.** Nothing in the Service is veterinary, medical or legal advice. If a person or an animal is in immediate danger, contact the emergency services, the police or a qualified veterinarian directly. Do not rely on the Service in an emergency. The directory of veterinary clinics is provided for convenience only; we do not endorse any clinic or guarantee its details, availability or services.

3.5 **Locations are approximate.** City areas, distances and map locations shown in the Service may be approximate or out of date. Always confirm a location yourself.

4. Rules for each type of post

In addition to the rules in section 5, these rules apply to specific post types.

4.1 Rescue and Lost & Found posts

(a) Post only genuine situations that you have personally seen or that concern your own animal, and describe them truthfully. Do not exaggerate urgency.

(b) When a post shows where an animal is, it may reveal an approximate location. Do not post a location that exposes a private home or a person's whereabouts without their consent.

(c) Do not put yourself or others at risk. Do not approach an animal that may be dangerous, injured, sick or aggressive, and do not enter private property, roads or construction sites unsafely. Any rescue attempt is at your own risk.

(d) Close your post once the situation ends, and choose the outcome that truthfully describes what happened. Rescue posts may include photos in comments; Lost & Found comments are text only.

(e) Do not use a found animal, or a claim to own one, to demand money, to deceive the owner, or to obtain an animal that is not yours. Before handing over a found animal, take reasonable steps to confirm the person is its owner.

4.2 Adoption posts

(a) Adoption posts are for **rehoming an animal, not selling it**. You may not ask for a price or payment for the animal. Any reimbursement of reasonable, documented costs (for example vaccination) must be disclosed in the post and agreed openly.

(b) You must own the animal, or be authorised to rehome it, and describe its health, temperament and needs honestly.

(c) You are responsible for choosing a suitable adopter. Adoption applications, answers and any home visit are arrangements between you and the applicant; Pupzy does not screen adopters or animals.

4.3 Marketplace listings

(a) The Marketplace is for **pet products and supplies only**, such as food, care products and accessories, that may lawfully be sold in Egypt.

(b) **You may not list or sell any live animal, animal part or animal-derived product from a protected species** in the Marketplace, or anywhere else in the Service. You also may not list: prescription-only or controlled medicines; counterfeit, stolen, recalled or unsafe goods; weapons or items designed to harm animals, including fighting, baiting or cruel training equipment; or anything whose sale is illegal in Egypt.

(c) Sellers are solely responsible for their listings, for the accuracy of descriptions, prices and photos, for the legality and safety of what they sell, for delivery, and for any warranty, refund or return. Buyers deal directly with sellers.

(d) **Pupzy does not process payments.** Any payment happens outside the Service between buyer and seller, at their own risk. Never pay in advance to someone you have not verified.

(e) Marketplace listings have no comments, "Support" or "Like". Buyers contact the seller directly. Inactive listings may expire and must be renewed before they can be marked sold.

4.4 Find a Mate posts

(a) Find a Mate posts are for **responsible breeding of healthy, lawfully kept companion animals**. You must own the animal and describe its health, vaccination, deworming, pedigree and breeding conditions truthfully. Pupzy does not verify pedigrees, certificates or health records.

(b) You may not use Find a Mate for: commercial or intensive breeding ("puppy or kitten farming"); animals that are too young, too old, pregnant, ill or otherwise unfit to breed; dogs or other animals whose keeping or breeding is restricted by law unless you hold every required licence; any cross-species or wild or protected species; or any fighting-related purpose.

(c) Any terms, fees or conditions of a breeding arrangement are solely between the owners involved. You are responsible for the welfare of the animals and of any offspring, and for complying with the law.

4.5 Animal welfare and the law

Whatever the post type, you must comply with all laws that apply to you and to the animals involved, including laws on animal welfare, the keeping of dogs and dangerous animals, veterinary medicines, trade in wildlife and protected species (including CITES), consumer protection and data protection.

5. Community rules

5.1 Pupzy has **zero tolerance for objectionable content and abusive users.** You must not post, send or share anything, or behave in any way, that:

(a) shows, promotes, encourages or threatens **cruelty, abuse, neglect, torture, fighting, poisoning or killing of animals**, or shows graphic injury or death without a clear rescue or welfare purpose;

(b) offers, seeks or facilitates the **trade of wildlife, endangered or protected species**, or of any animal or animal product illegally;

(c) is illegal, or promotes or facilitates illegal activity;

(d) harasses, bullies, threatens, intimidates, stalks or defames anyone, or contains hate speech or discrimination based on religion, race, ethnicity, nationality, sex, disability or any other protected characteristic;

(e) is sexual, pornographic, obscene, or violent, or involves or sexualises minors in any way;

(f) is fraudulent, deceptive or a scam, including fake listings, fake urgent appeals, requests for advance payments, fake adoption or rescue stories, or phishing;

(g) impersonates any person or organisation, or misrepresents your affiliation;

(h) shares another person's personal information (such as phone number, address, photos or ID documents) without their consent, or uses personal information obtained through Pupzy for any purpose other than the post it was shared for;

(i) is spam, unsolicited advertising, chain messages, or unrelated to animals;

(j) infringes anyone's copyright, trademark, privacy or other rights;

(k) contains viruses or malicious code, or tries to hack, overload, scrape, reverse-engineer or interfere with the Service or its security;

(l) gets around a block, suspension, ban, rate limit, report or other safety measure; or

(m) abuses the reporting tools, for example by filing false reports.

5.2 Keep discussions respectful and on topic. Comments and replies are public to other users who can see the post.

6. Contact details you share

6.1 When you **approve** a contact request, or when a request you sent is approved, the Service shares the owner's WhatsApp contact with the other person. Marketplace sellers' WhatsApp contact is available to buyers without a request. Only share your number if you are willing to be contacted.

6.2 You may use another user's contact details **only** to discuss the post through which you received them. You must not add them to marketing lists, share them, harass them, or keep using them after the matter is finished.

6.3 Anything you choose to share outside the Service, including on WhatsApp or in person, is outside our control and your responsibility.

7. Your safety when dealing with others

7.1 You deal with other users at your own risk. We strongly recommend that you: meet in public places during the day; bring someone with you; never send money in advance; inspect animals and products before paying or taking them; check vaccination and health records with a veterinarian; and trust your instincts.

7.2 If you feel unsafe, stop the interaction, block the user, report them in the app, and contact the police if needed.

8. Reporting, blocking and moderation

8.1 You can **report** any post, comment, reply or account from within the app, and you can **block** any user. Blocking hides you and the blocked user from each other and stops interactions between you. You can unblock them later.

8.2 We review reports and aim to act on content that breaks these Terms within **24 hours** of a valid report. We may also use automated tools to detect objectionable content.

8.3 We may, at our discretion and without prior notice, **remove or hide any content**, restrict features, reopen or close a post, **suspend or permanently ban any account** that we reasonably believe breaks these Terms or the law, creates risk for users or animals, or harms Pupzy. Repeated or serious violations lead to a permanent ban. Where the law requires, we may report illegal content or activity to the competent authorities and share information with them.

8.4 We are not obliged to monitor all content, and we are not responsible for content posted by users. If you believe we made a mistake, contact us at pupzy.eg@gmail.com and we will review it.

9. Your content

9.1 You keep ownership of the text, photos and other content you post ("**Your Content**"). You are solely responsible for Your Content and for having every right and consent needed to post it, including consent from any person shown in a photo.

9.2 You grant Pupzy a worldwide, non-exclusive, royalty-free, transferable and sub-licensable licence to host, store, reproduce, resize, compress, translate, display and distribute Your Content in order to operate, provide, improve and promote the Service. This licence ends when Your Content is deleted from the Service, except for copies we must keep by law or for the time our backups take to cycle.

9.3 We remove location and other metadata from photos before publishing them, but you should still avoid photos that reveal private information.

10. Privacy and notifications

10.1 Our Privacy Policy at https://pupzy.net/privacy/ explains what personal data we collect, including your name, email, phone number, city, the approximate location of posts, photos and device information, how we use it, who we share it with, how long we keep it and your rights. It forms part of these Terms.

10.2 If you allow notifications, we will send you notifications about activity related to you and your posts. You can turn them off in your profile or in your phone's settings.

11. Deleting your account

11.1 You can delete your account at any time from your profile in the app, or by writing to pupzy.eg@gmail.com or using https://pupzy.net/delete-account/.

11.2 Deleting your account permanently removes your account, your posts and photos and your personal information from the Service. Some information may be kept for up to **30 days** before it is permanently deleted, and longer where the law requires us to keep it or to resolve disputes, prevent fraud or enforce these Terms. A deleted account and its content cannot be restored.

12. Our intellectual property and your licence to use the app

12.1 The Service, including its software, design, logos and the name "Pupzy", is owned by Pupzy or its licensors and protected by law. Except for Your Content, nothing in these Terms transfers any rights in the Service to you.

12.2 We grant you a personal, limited, non-exclusive, non-transferable and revocable licence to download and use the app on devices you own or control, for your personal, non-commercial use, in accordance with these Terms and, where applicable, the rules of the app store you downloaded it from.

12.3 You may not copy, modify, distribute, sell, rent, decompile or reverse-engineer the Service, or use it to build a competing service, except where the law expressly allows it.

13. Third-party services

The Service relies on and links to third-party services, such as WhatsApp, map providers, Google Firebase and app stores. Your use of them is governed by their own terms and privacy policies. We are not responsible for them.

14. Disclaimers

14.1 The Service is provided **"as is" and "as available"**. To the fullest extent permitted by law, we make no promise or warranty, express or implied, that the Service will be uninterrupted, secure or error-free, or about the fitness for a particular purpose, quality or accuracy of the Service or of any content.

14.2 In particular, we do not guarantee that: any animal will be found, rescued, treated or adopted; any post, animal, product, pedigree or health record is accurate, lawful, safe or as described; any user is who they claim to be or will behave lawfully; or any notification will be delivered or delivered on time.

15. Limitation of liability

15.1 To the fullest extent permitted by applicable law, Pupzy, its owners, directors, employees and partners will not be liable for:

(a) the acts, omissions, content or conduct of any user or third party, online or offline, including any rescue, adoption, sale, breeding arrangement, meeting, payment or delivery;

(b) any injury to, illness, loss or death of any animal, or any injury to any person, arising from dealings between users or from following content on the Service;

(c) any indirect, incidental, special, consequential or punitive damages, or loss of profits, data, goodwill or opportunity; or

(d) any loss caused by events outside our reasonable control.

15.2 To the fullest extent permitted by law, our total liability to you for all claims relating to the Service is limited to the greater of the amount you paid us in the 12 months before the claim (the Service is currently free) or **1,000 EGP**.

15.3 Nothing in these Terms excludes or limits any liability that cannot be excluded or limited under Egyptian law, including liability for fraud, gross negligence or intentional misconduct, or your mandatory rights as a consumer.

16. Your responsibility to us

To the fullest extent permitted by law, you will indemnify and hold Pupzy harmless against any claim, loss, liability, penalty or expense (including reasonable legal fees) arising from Your Content, your use of the Service, your dealings with other users, or your breach of these Terms or of the law.

17. Suspension and termination

17.1 You may stop using the Service at any time and delete your account as described in section 11.

17.2 We may suspend or end your access to all or part of the Service as described in section 8.3, or if we stop providing the Service. Sections 3, 9.2 (for the retention period), 14, 15, 16, 19 and 21 continue to apply after your access ends.

18. Changes to the Service and to these Terms

18.1 We may change, add or remove features of the Service at any time. For example, which post types allow comments or photos may change.

18.2 We may update these Terms to reflect changes to the Service, the law or our practices. We will publish the new version with a new version date and ask you to accept it in the app. If you do not accept it, you may not be able to create new content, and you can delete your account.

19. Governing law and disputes

19.1 These Terms are governed by the laws of the **Arab Republic of Egypt**.

19.2 Before starting any legal proceedings, please contact us at pupzy.eg@gmail.com so that we can try to resolve the matter amicably within 30 days.

19.3 Any dispute that is not resolved amicably will be subject to the jurisdiction of the competent courts of **Cairo**, without prejudice to any mandatory right you have as a consumer to bring a claim elsewhere or before the Consumer Protection Agency.

20. App store terms

20.1 **General.** These Terms are between you and Pupzy only, not with Apple Inc. or Google LLC ("**App Store Providers**"). Pupzy, not the App Store Providers, is solely responsible for the app and its content.

20.2 **Apple.** If you downloaded the app from the Apple App Store:

(a) your licence to use the app is limited to Apple-branded products that you own or control, as permitted by the Usage Rules in Apple's Media Services Terms and Conditions;

(b) Apple has no obligation to provide maintenance or support for the app;

(c) if the app fails to conform to any applicable warranty, you may notify Apple and Apple will refund the purchase price (if any). To the maximum extent permitted by law, Apple has no other warranty obligation for the app;

(d) Pupzy, not Apple, is responsible for addressing any claims relating to the app or your use of it, including product liability claims, claims that the app fails to meet any legal or regulatory requirement, and claims under consumer protection, privacy or similar laws;

(e) Pupzy, not Apple, is responsible for the investigation, defence, settlement and discharge of any third-party claim that the app or your use of it infringes that third party's intellectual property rights;

(f) you confirm that you are not located in a country subject to a U.S. Government embargo or designated as a "terrorist supporting" country, and that you are not on any U.S. Government list of prohibited or restricted parties;

(g) you must comply with any third-party terms applicable to your use of the app; and

(h) Apple and its subsidiaries are third-party beneficiaries of these Terms and, once you accept them, Apple may enforce them against you as a third-party beneficiary.

20.3 **Google Play.** If you downloaded the app from Google Play, your use is also subject to the Google Play Terms of Service. Google is not responsible for the app or its content.

21. General

21.1 If any part of these Terms is found invalid or unenforceable, the rest remains in effect.

21.2 If we do not enforce a right immediately, we have not waived it.

21.3 You may not transfer your rights or obligations under these Terms. We may transfer ours to a successor, for example in a merger or sale of the Service.

21.4 These Terms, the Privacy Policy and any rules shown in the app are the whole agreement between you and us about the Service.
